# PRESIDENT'S COLUMN

THE APRIL FLEA MARKET SEEMS TO HAVE BEEN A HUGE SUCCESS. ALL THE TEAM MEMBERS SHOWED UP EARLY (5:30 AM!) AND PLAYED THEIR PARTS PERFECTLY. WE HAD A HUGE CROWD & ABOUT 250 SELLERS. AFTER STAYING ON MY CASE ABOUT HAVING TOO MUCH DIET SODA (TRUE) K6YT SEEMED ECSTATIC THAT WE FINISHED THE DAY WITH 3 & A HALF SIX PACKS. FRED ALSO SEEMED PLEASED THAT THE OLD GREEN GENERATOR RAN WITHOUT A HITCH AT ABOUT 3 TO 4 KILOWATTS & USED ONLY ABOUT 1 GALLON OF GAS PER HOUR. I'LL BET WE FIND IT AS OUR PRIME POWER SOURCE AT FIELD DAY. SPEAKING OF FIELD DAY, THERE WILL BE A SIGNUP SHEET AT THE MAY MEETING, SO START THINKING ABOUT MAKING SOME SORT OF A COMMITMENT TO OPERATING, SETUP, ETC. BEFORE JUNE HOWEVER COMES THE SPRING PICNIC 20 MAY AT W6VG's QTH. THERE WILL BE LOTS OF DOOR PRIZES & DRINKS SO BRING SOMETHING TO BAR-BE-CUE AND LET'S HAVE FUN. THERE'S A MAP ON A NEARBY PAGE SO BE SURE TO RESERVE THE DATE.

PAARA NOTES WITH SADNESS THE PASSING OF FRANK QUEMENT W6NX, A TRUE FRIEND OF HAM RADIO.

## Frank Quement, 89, found

A vigil will begin at 7:30 p.m. today at St. Christopher's Church, San Jose for Frank Quement, 89, founder and chairman of the board of Quement Electronics of San Jose.

He died of apparent heart failure at Good Samaritan Hospital in San Jose, the result of a congenital lung disease. He had been quite active until just recently, his family said.

The San Jose native was the son of French immigrants who settled in the Santa Clara Valley in the 1880s.

Mr. Quement worked for Standard Oil Co. in San Francisco, commuting by train, until 1933, when he opened a radio repair shop on San Fernando Street. An avid ham radio operator, he had built his own shortwave outfit as a youngster, an avocation he continued all his life. He held ham radio operator license W6NX.

He moved his radio store from downtown San Jose to Bascom Avenue in 1950, expanding the operation to include television and electronics repair and parts distribu-

tion services, turning it into one of the largest businesses of its kind in the South Bay. The firm will continue to be run by family members.

Mr. Quement joined the Naval Reserve in the 1940s, after it had been converted to military official duty that the United States was drawn into the European war. Mr. Quement was on active duty.

Because of his military background, Cmdr. Quement worked in postal work at the Norfolk, Va., then as a naval postmaster in Hawaii, later serving as postmaster on New England in the South.

Upon his release from the service in 1945, Mr. Quement returned to San Jose and his family.

Mr. Quement was a social and often led "fishbowl" friends to his favor in the West. He was active in the Lions Club, Better Business Bureau, the Notre Dame dad's club, and as well as local ham radio clubs.

He is survived by his wife, Louise of
